Dear Jane:

Thank you so much for volunteering at this year's Bright Horizons Truck Day. I am happy to report that we raised \$3,600 for the Bright Horizons Foundation for Children! With approximately 1,500 people attending the event, it was a great way to teach children the value of giving back to the community at an event set up just for them.

The Bright Horizons Foundation for Children believes that every child has the right to a happy childhood. Through their innovative *Bright Spaces* program, they create warm, enriching playrooms at community agencies for children and families in crisis.

Becky Bowman, the Executive Director of the Bright Horizons Foundation for Children, sent me a note recently to say thank you—I'd like to share part of it with you:

"It makes me happy to know that so many hard working members of the community were willing to donate their vehicles, their services, and their time to help make a difference in the lives of children in need. I can tell from all the smiles in the photos that the children and adults who attended Truck Day had a terrific time. Please let all of the participants, sponsors, and volunteers know how much their time and generosity means to our organization."

I truly appreciate the part you played in making our event such a success. I hope you will join us in celebrating our 5th Annual Truck Day next year!

Warmly,

Joanna Bandte
